“A different kind of conference.”

accelerate

COLLABORATING FOR SUSTAINABILITY CONFERENCE

The Natural Step Canada is convening **Accelerate** because we realize that organizations can go only so far on their sustainability journeys when working alone. Collaboration is both critically important and highly challenging. Join us to hear stories from the field, contribute to project ideas, and further enhance your own collaboration skills.

JUNE 5-6, 2014 / TORONTO, ONTARIO

World-renowned keynote speakers include:

Jenn Heil
Freestyle Mogul Skier;
Multiple Olympic Medalist;
Co-Founder, B2ten

Dr. Peter Senge
Author, *The Fifth Discipline*
and *The Necessary Revolution*

Nicholas Parker
Founding Chairman,
Cleantech Group Inc.

Avrim Lazar
Former CEO, Forest Products
Association of Canada;
Champion of the Canadian
Boreal Initiative
